CORRECTION OF THE ACKNOWLEDGEMENT

In the published article, “Myeong Seok Chae, Jae Uk Kwon, Eui Yeon Cho, and Seong Yun Cho, INS/GNSS/NHC integrated navigation system compensating for lever arm effect between NHC effective point and IMU mounting location, vol. 11, no. 3, pp. 199-208, 2022,” the acknowledgement has been incorrectly given. The acknowledgement should be corrected as “This research was financially supported by the Ministry of Trade, Industry and Energy, Korea, under the “Cooperation program for regional leading industrial complexes (R&D, P0017739)” supervised by the Korea Institute for Advancement of Technology (KIAT).” The author apologizes for any inconvenience it may have caused.
